About the Seminar

The Bhartiya way is sustainable and strives for the welfare of all. It is important that we regain the comprehensive knowledge system of our heritage and demonstrate the 'Bhartiya way' of doing things to the world. It will actively engage for spreading the rich heritage of our country and traditional knowledge in the field of Arts and literature, Agriculture, Basic Sciences, Engineering & Technology, Architecture, Management, Economics, etc. The Bhartiya Knowledge Systems comprise of Gyan, Vigyan and Jeevan Darshan that have evolved out of experience, observation, experimentation, and rigorous analysis. This tradition of validating and putting into practice has impacted our education, arts, administration, law, justice, health, manufacturing, and commerce. This has influenced classical and other languages of Bharat that were transmitted through textual, oral and artistic traditions. "Knowledge of Bharat" in this sense includes knowledge from ancient Bharat and, its successes and challenges, and a sense of Bharat's future aspirations specific to education, health, environment and indeed all aspects of life. IKS refers to the indigenous knowledge traditions developed in the Bhartiya subcontinent over millennia, spanning fields such as philosophy, mathematics, medicine, astronomy, linguistics, agriculture, architecture, ethics and arts.
